LITTLE STOKE CLUB HISTORY

Little Stoke Athletic Football Club first formed in the 1950's by Percy Plummer and Cab Callaway playing at a ground in Bush Avenue, Little Stoke which is now the allotments. They then moved to gypsy patch lane playing between the Magpie Pub and the railway line on one of the biggest pitches in Bristol. The club's 1st treasurer was a Geordie and thus the team kit became Black & White stripes which remains in place today. The club first played in the Bristol & District league and had cup success in the 1950's winning the minor cup. The club then moved up to what is now Little Stoke Park and the players built their own changing rooms out of corrugated iron sheets with the help of a local builder Fred Dunscombe. The Athletic name was dropped and Little Stoke FC formed in 1969 and the club moved to the Bristol Suburban league winning various honours over the years. Premier 1 – runners up 2015/16, Premier 1 – champions – 2013/14, Bosley cup winners 2013/14, GFA Senior Amateurs Cup Runners Up 2013, BOSLEY CUP – Runners up 2012/13, Division 3 League Champions 2000/01, Premier 2 League Champions 2010/11/ The club became well established in the higher divisions of the league over a 30 year period but were held back from promoting to the Gloucestershire County League by the ground facilities. In 2015 the club set about upgrading the changing rooms with the players giving their time freely to upgrade the referee's room and in 2016 the club were duly elected members of the Marcliff Glos County League after coming runners up in the Bristol Suburban Prem1 under new manager, Ash Coles. After 3 seasons in the Country League they finally won their first bit of silverware in the 2018/19 season in the Les James Cup Final beating AEK Boco 4 –1 on penalties after a 0 – 0 draw. Season 2021/22 -Winners of the Les James Cup beating Ruardean Hill Rangers 2-0. Also winners of the new Ron Hilpin Trophy beating Wick 4-1. The club now has 3 sides with the Reserves and A's competing in Bristol Suburban League Div 1 & Div 4 respectively.

WICK CLUB HISTORY

As old photographs will show Wick had a village football team long before a group of young local lads formed Wick CA in 1971. Unable to play at Oldbury Lane at that time, they played their first couple of seasons on a patch of land off Naishcombe Hill, as Oldbury Lane was home to Wick Athletic (whose history we can trace back to the 1930's), and Partridge & Love. The young Wick side quickly saw success, winning their Regional division without losing a game. A feat almost repeated the following season when they finished as runners up. Then came a switch to the Bristol & District league, where success continued taking the division 4 title in 1974, and winning the GFA Minor cup the season after. When Partridge & Love disbanded, it gave Wick CA the opportunity to relocate to Oldbury Lane, where they later amalgamated with Wick Athletic to form a single club in the mid 70's. This sparked a lengthy period of progress for the club with the introduction of a Reserve side. The 1st team's triumph in the 1978 Junior Cup was followed by double celebrations in 1982 when both club sides were promoted - the 1st team winning the B&D Senior Div and the Reserves as runners up in B&D Div 4. Success continued and two seasons later Wick had another double celebration with the 1st team taking the Bristol Prem Combination div 1 title and the Reserves the B&D div 3 crown. The following years were a lean period for the club which included relegation. Then with a name change to RMC Wick (through its sponsorship from the local quarry) fortunes turned in 1998 with a second success in the GFA Junior Cup. This was the catalyst to another successful period at the club, and in the 1999/2000 season the First team returned to the Bristol Prem Comb after taking the B&D Senior Div title. Another promotion the following season saw the First team in the Premier Div of the Bristol Prem where they won the Bristol Prem Cup in both 2003 & 2005.

With an influx of new players, Wick were able to introduce a third side with this A team starting in B&D div 6. 2004 saw the First team finish fourth in the Bristol Prem, and promotion for both the Reserves and A teams, although the Reserves tasted relegation to B&D div 2 the following season. Wick's dreams of promotion to the County League were dashed in the 2004/5 season when a poor end to the season saw them lose their leading position at the half-way stage. In the 2007/8 season the reserves were promoted to the B&D Senior div, but there was little further success for the clubs three Saturday sides until the 2016/17 season, which saw the first team narrowly pipped for the Bristol Prem Comb title but gain promotion to the Marcliffe County League under the reins of Mike Strawford.

The 2017/18 season saw the A team fold through a lack of younger players, but the formation of a second veterans side playing on a Sunday, where both vet sides enjoyed league and Cup success. The 2019/20 season looked set to be a fantastic year for both the first team and reserves, but with league and Cup honours in sight, the season fell foul to the COVID-19 pandemic. On the upside the reserves were promoted to the Prem Comb Div 1. Progress on the field continued the following season with the first team taking the County League title after an epic battle with Shirehampton. Unfortunately our planning application for step 6 development took too long to get and so Shirehampton was given the promotion slot. Failing to gain promotion resulted in an exodus of players and management all eager to play at step 6, which meant a complete rebuild of the squad now managed by Kev Pollard and Jamie Johnson assisted by Nathan Broe (Coach) and Tom Darby (goalkeeper coach). Change to in the reserves management team led by Kev Ashwood and assisted by Lee Rendell, Jon Britton and Gary Reilly who brought together a team of talented young lads who took the Prem Comb 1 division by storm last season, putting them just one division behind the first team. With planning permission granted the club is now set and eager to push on to step 6. This season we have introduced our A team managed by Ian Bright, who is gathering a great bunch of young and more experienced players. This team will be used as a player pathway for our younger players who have made the transition from youth to senior football. Up the OWLS.
