MESSAGE FROM BECKS

A huge welcome to returning supporters, new supporters, groundhoppers and Broadwell to Waterwells Sports Centre!

With December and 2025 over and done with we can look back at a good start to our season this year, the focus being around progress on and off the pitch. Being able to compete against the tough and physical opposition within this league and doing so by playing exciting and attractive football! In December we passed last season's points tally with a win over Tytherington Rocks and also hit our goals scored tally as well.

December was a difficult month for us in terms of results losing 3 games on the bounce and failing to compete in one game where we lost heavily for the first time this season. Injuries have plagued us in December with 10 players being on the injury list but we are gradually starting to see players return which is encouraging as January will be a big month for us. It is important to start the new year as we started the season with a win over Broadwell!

Broadwell come to us this week in good form though games are very spaced out due to weather calling games off. Their last 3 games, they have won 2 scoring 3 goals and keeping clean sheets. Our first game against them was a tightly contested game, missed penalty and last minute winner allowed us to come away with a 2-1 win. This has all the expectation to be a good contest once again.

We appreciate any and all support down at Waterwells this weekend to kick start the new year!

Up the Quedge!

Beckem Foley
First Team Manager

Our mission is to promote strong mental health for young men across Gloucestershire and its surrounding areas. We strive to raise awareness of the challenges that young men face, and reduce the stigma that still remains around young men's mental health.

Research shows that young men with neurodiverse conditions, such as autism and ADHD are between 5 and 7 times more likely to die by suicide than their neurotypical peers. We aim to develop a better understanding across the local community of what it means to be neurodivergent and the potential mental health risks associated with this. Through raising awareness and understanding, we want communities across and beyond Gloucestershire, to become more inclusive of young men that struggle.

Through the provision of training and support, both for young men themselves, and for those supporting them, we aim to increase understanding of how to spot the signs of poor mental health in young men before it's too late.

HISTORY

QWFC was formed in 1994, with just one boy's under 14's team. It was started by Dave Mulrain and Ron Capper, who took on the roles of Secretary and Treasurer, positions they went on to hold for a further ten years. Dave has since returned to the club as Chairman and is in his sixth season. They laid the foundations for the club to grow to the present day where we have over 400 members across 23 competitive teams of all ages, including girls sides, 2 adult teams, walking football and Veterans. Many hours have been dedicated to the club by a number of volunteers to get to the point we are at today. In July 2021, we installed floodlights due to gaining a grant from Crest Nicholson. They were installed by MUSCO lighting who have installed lights in many Premier league sides.

Our seniors commitee continue this season, with James Mulrain taking the vice chairman seat, Kelly Mulrain will continue in her role as Seniors Secretary, Dave Mulrain and James Mulrain will work alongside Andy Gutteridge in the Treasurer's role.

Joining Quedgeley this season to take the reins of the first team is Beckem Foley. Beckem joins us from Cheltenham Saracens after successfully running their under 18s side and being part of coaching team for the Hellenic side. He brings knowledge and experience to help build a strong County League side. Tony Hawkins will continue to assist and coach the team. A mixture of old faces and many new faces will combine to make a thriving side in the League.

Our Reserve team are currently in Stroud League Division 3. Ash Pocock will be continuing as Manager, having taken up the role part way through last season. With some new faces, and a mixture of young and mature players, we have high hopes for Ash's full season in charge.

This season we are proudly introducing our first ever under 18s side which will be competing in the Cheltenham Youth Floodlit League floodlit.

We have a brilliant bunch of players/management both on and off the field and wish all teams the best of luck this season.

MEET THE SQUAD

Delighted to bring Kieran back to the club, his first spell being as a 16 year old GK having his first taste of adult football with the club. He has been with a few more clubs since and improved as a player and person. He must be now at least 6ft 7, he will be a big presence at the back for us, using his new Futsal skills to help us build from the back when in possession.

It's a fantastic opportunity to keep Oli at the club for another season! Working with him before during our time together at Cheltenham Saracens. He was one of the players I wanted to keep around and making him vice captain to help implement how we want the team and club to run. Oli is a fantastic defender strong on the ground and in the air and has good quality to help us play the football we want this year.

Harry is a brilliant asset to the club, another who I have worked with in the past during our time at Cheltenham Town and Cheltenham Saracens. Furniss already has a good understanding of how I like to do things which makes it easier when coming into a club with new ideas. Furniss is a tall, strong and combative player who always shows great desire to improve and do his best.

Very excited to be working with Dylan this year, this being his 3rd season with the club, he shows a great desire to bring success to the club. I see Dylan as a midfielder this season though he can play other positions as well. His calmness and ability to battle in midfield will help secure our ability to play consistently, his vision and knowledge of the game will help with his leadership on the pitch.

Very happy to be able to keep Reynolds at the club this season. He is going to be vital towards our creative success in midfield. His desire to work hard to win the ball and his vision and execution to go forward are some of the many reasons other clubs have shown interest in him. He shows good knowledge and attitude to find ways to win and his physical presence in midfield will give us great advantages.

One of my first messages after getting the job with the club was to Louis, it was important for me to bring Louis back to the club on a more permanent basis. Working with him at Cheltenham Saracens he has shown me his professional standards that I live and die by, fantastic leadership qualities and an unbelievable work ethic. He was a no brainer to have at the club and to have as our captain for this season.

MEET THE SQUAD

I have been fortunate enough to know Ben for several years now, coaching with him and and playing against him at different clubs. When he mentioned he may be interested in coming down I snapped his hand off, his work rate, attitude towards the game are vital for our changing room to be used as an example and to develop and support others around him.

Since I met Charlie, I always wanted to coach him, his ability on the ball, attitude off it and the character he has I always felt he would thrive in one of my teams during his U18s football. Unfortunately, it didn't happen, and he gained valuable experience with Longlevens and Stonehouse. This year I'm looking forward to being able to put those experiences to good use as well as continuing his development.

Josh is a fantastic example of why there needs to be a pathway in a football club. Playing his youth football with the club, without our pathway to the first team we could easily lose him. Josh at only 16 has already played a handful of County League games for the club , his ability to play in multiple positions well and fearlessness off and on the ball, makes him perfect to keep his opportunities with the first team.

A player I have always admired during his time at Tuffley wanting him within my teams, his quality on the ball, vision and calmness when under pressure is a major asset to any manager's midfield. Being able to play multiple roles in midfield will allow us to use him in different ways. His character will make him a perfect fit for the club this season as we hunt for progress through enjoyment and hard work.

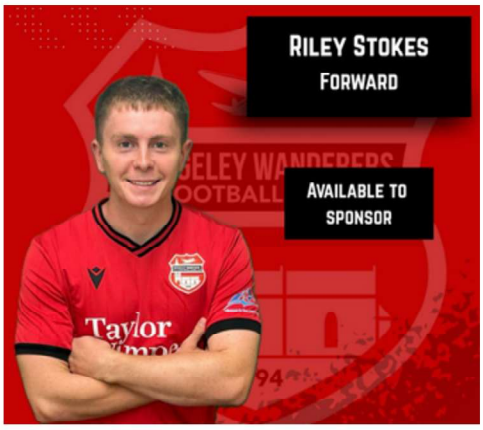

Looking forward to working with Reece this year, providing opportunities to young local talent is very important to the way I want this club to thrive. Reece is a strong, energetic winger that with more structure, coaching and professional standards can become a player to watch in the coming years. We look forward to seeing Reece make a big impact with the first team and U18s this year.

I have been privileged to know and coach Henry since he was 10 years old, working together at Cheltenham Town and later playing for me at Cheltenham Saracens and being my captain. His quality and character will be second to none at this standard and 2 steps above. I am grateful to him that before he goes off to university, he has agreed to play for me again and I hope to use his abilities as best we can.

MEET THE SQUAD

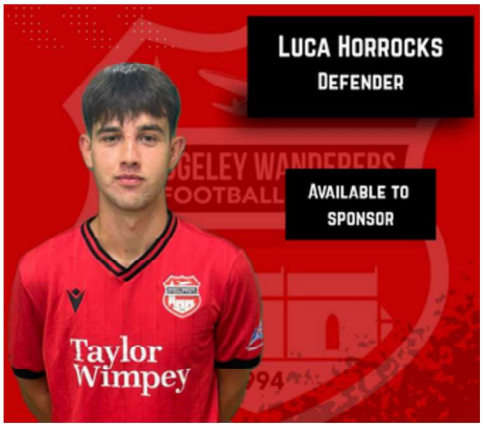

Happy to be working with Riley again this year! Coached him since U16s since he has spent some time playing the States and played for Newent Town on his return. Riley's attitude to work hard for the cause, put his body on the line and drive standards within the group with his quality will be a great asset for us this season as well as being able to play multiple positions to a very good standard.

The importance of providing pathways to young players that have a clear desire to play for their local club. Seb has played his youth football for Quedgeley and has shown throughout last season and preseason that he has what it takes to step in County League football. Seb shows quality, knowledge and work ethic beyond his years. I'm very happy to provide him his opportunity in football and support his development further.

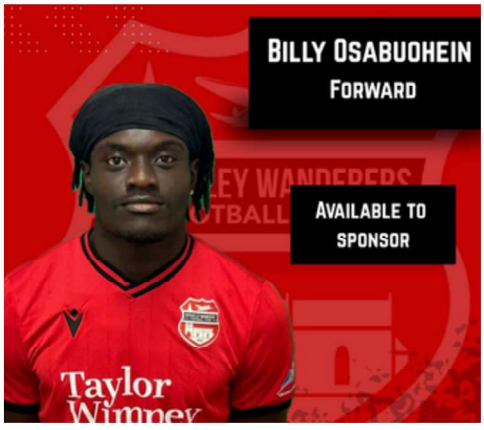

Delighted with the return of Pledge from his travels around the world! Pledge's ability on the ball, desire to defend and overall character (not mentioning new teeth) will be a major addition to our defensive line this season. Pledge has returned with a new attitude towards his football with a return to a more professional approach to thinking. acting and working helping him thrive through preseason.

Looking forward to working with Luca again this season following on from our work together at Cheltenham Saracens. Luca is a brilliant young full back that shows great quality on the ball and desire to put his body on the line to win the ball, he was a vital part of my team at Saracens to bring us League cup success. I'm glad to be able to provide Luca with the opportunity to step into men's football this year.

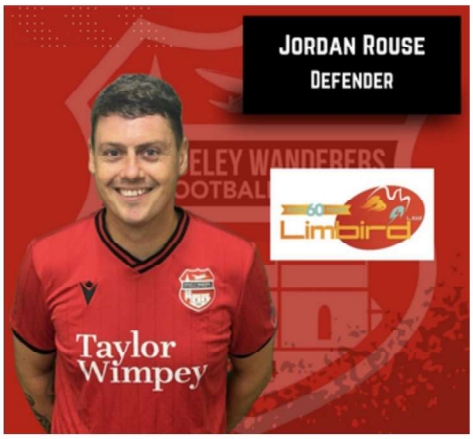

Very happy to be bringing Jacko to the club this year, having county league experience with Cheltenham Civil Service and working together at Cheltenham Saracens before that Jacko understands the standard before him and what is required to play under me. Jacko is an engine for the team his ability to run will be an example for the entire group, his attitude to compete will be vital for us this season.

Another great asset for the club this season in Billy! Blessed with so much potential with his pace and power to shrug off and leaver defenders in his dust. Billy has shown his talents when playing for Cheltenham Saracens and Newent Town so it's great for us to be able to utilise him within our forward line this year. We are hoping Billy can use his good preseason to start the season off strong!

MEET THE SQUAD

Delighted to keep Jordan at the club for the coming season for his experience and knowledge of the football club. His ability in the air and desire to win is a great example to the young players around him and a great character to carry on his role as fines master which I'm told he is ruthless with. It is important for me to keep players with the right mentality and commitment to the cause.

Another player kept on from last season, Fin has a brilliant talent for the level with pace, power and good ability to finish. A player I always enjoyed watching during our time at Cheltenham Town FC. We will look to use Fin where we can alongside his university commitments and push him to the max to get the potential we know he has in the game. We look forward to seeing some special goals this season!

It was a no brainer for me to have Reg with the first team this season with 20 years of loyal service to the club. Reg is a perfect example to our young players coming through of hard work, commitment and dedication. A fantastic character within the club bringing people together which was an important factor for me coming into the club bringing the men's teams and youth together and Reg is integral in that!

Delighted to bring Nath back to Quedgeley this season a player with unbelievable talent and a fantastic character. He shows support to the young wingers around him and passes on his knowledge and leadership from his vast experience in the game. Nath is going to be a vital addition to our forward line and really help with our quality in the final third with goals and assists.

Delighted to bring Deeks to Quedgeley! With the start we have had it allows us to attract top players to bolster our squad to help us maintain our form going forward. Deeks will be vital for us adding to our attacking threat, we know how much of a handful he is when he played and scored against us. I am personally happy to work with him again and any spectators will enjoy what he does.

HISTORY

Broadwell Football Club was formed in 1905 by the local working men and originally played at “The Purples” Coalway. In the 1930s Broadwell moved to play at “Wynols Hill” where they stayed until 1947, when they moved again to what is now known as “The Hawthorns”. This was done with the help of the two late trustees, Mr Bert Ruck, and Mr Frank Haviland. Over the years various facilities were used such as “the Rising Sun “, church hall, and the local working men’s club. However, in 1963 with the help of the chairperson, Mr Rube Kibble, Secretary William Smith and committee men Mr Cyril Hamblin, a new changing quarter was officially opened by referee Mr Tom Finney. These new changing quarters were totally funded by the club’s own money after refusal of a grant by both the G.F.A. and F.A. In 1982, a bar facility was opened by the late president Mr. Hubert Smith and seven years later a new bar, skittles alley, kitchen, and referees changing room were added by a dedicated bunch of Broadwell supporters and sponsors. The football social club has a strong golf society which plays twice a year open to all club members young or old regardless of ability. The football club currently run three senior sides, which play on a Saturday. Broadwell won the G.F.A. Senior Amateur cup north in its inaugural year in 1925-26 and reached the final on two other occasions, losing to Charlton Kings in 1947-48 and Bishops Cleeve in 1964-65. Other honours over the years have been the northern senior league division one championship in 1925-26,1946-47 and division two runners up in 1976-77. Runners up in the G.F.A. Challenge trophy season 1998-99. Winning the Northern Senior league again in 1993-94 enabled them to gain promotion to the county league, before being voted from the league three seasons later. Broadwell’s most famous player was the late Colin Hamblin who was also went on to play for the county; a trophy cabinet in his honour is proudly displayed in the club house. 2006-07 Season the first eleven finished as runners up to Tuffley Rovers in Northern Senior league Division 1. After a run of eighteen games without defeat a bad run of five defeats in the last eight games stopped them winning the league. Broadwell lost to Tuffley Rovers at Harrow Hill in the GFA senior county cup final the same season. Broadwell were crowned Senior North County Cup Winners in season 2008-09 beating Shortwood Res 2-1 in the final at Slimbridge Afc. Season 2009-10 the first team lost in the semi-finals of the GFA county cup and finished third in the league. The club continually finished in the top five for the next five seasons. 2014-15 Season saw the first team win the northern senior league title, win the Reg Davies memorial league cup, and come

runners up to Brockworth Albion in the senior north county cup. The clubs committee committed to changing room improvements and without any funding built new away changing rooms along with referee/assistants changing rooms, completed in April 2015.After a good first campaign finishing sixth under Gary Hurcombe the first team were managed by Lee Williams and Scott Albon finishing 12th in the league season 2016-17, reaching the final of the Les James cup losing to AEK BOCO 3-0.Season 2017-18 saw Broadwell in the top five of the league for most of the season only to fall away at the later part due to the high volume of games played eventually finishing in seventh place. Broadwell did however jointly win the Respect league with Frampton United with a remarkable 100% record of no bookings for dissent. Season 2018-19 proved difficult for the club Manager Lee Williams and Scott Albon jointly retired from Management but continue their close links with the club. Season 2019-20 the club moved out of their comfort zone and appointed a manager from outside the club. Simon Beardsell ex Cheltenham Town Youth academy coach who stood down October 2019. The club were lucky to appoint immediately local coach Stuart Liddington ex Lydney Town, his task to improve on season 2019-20 league position. The extended period away from football due to Covid saw Stuart leave the club and return to Lydney Town 2020. First Team duties are now in the very capable hands of Chris Brain, who's task is to blend our successful under eighteen team into first team players. Chris made a positive impact, with Guy Jones as his assistant, bringing in some top players but nurturing the existing squad members seeing them secure some great results during the season, not to forget mentioning the team winning the Les James Cup in a tough battle against Sharpness, seeing Broadwell secure a 3-1 win! A great game and a great achievement for everyone. The 2022 season saw the team start with Chris but unfortunately a few weeks in Chris made the decision to step down from the Manager role which made way for Guy Jones to step up from Assistant Manager to Manager. Guy had some big shoes to fill in what was his debut as a County League Manager but he took on the role and gave it his all. Working hard on keeping morale up and spirits high, Guy continued to work with the team he had, making sure each game was a positive vibe, setting small goals and always applauding the results, regardless of win or lose. The season proved to be a tough one for Broadwell and during the final weeks of the we found ourselves at the bottom of the league table and heading towards the relegation zone. It looked a tough gig for Guy and the team to pull through and remain in the County League but through sheer determination from everyone and the support of all at Broadwell they did it! The final matches gave them the points they needed to remain just above relegation and another season heading into the County League. Over the past couple of years Broadwell Club have benefited from some dedicated and enthusiastic club members who work tirelessly to improve our facilities, look after our grounds and keep everything tip top. They are fondly known as "The Wednesday Crew" and they are very much appreciated by all involved at Broadwell AFC, so much so they were awarded Clubman of the year at the clubs annual presentation in 2024! Going into the 2024/2025 season Guy Jones remains as first Team Manager but now with Chris Powell at his side as Assistant Manager. Chris brings a wealth of positive energy, years of football experience and plenty of banter to the squad. The two together have high hopes and the club are excited to see what they can achieve. The squad have been working hard at training pre-season and had some good friendlies to set them up and make some early changes where needed. With some new faces in the firsts this season, including players who have moved up the ranks at Broadwell, along with some very loyal and trusty existing players it's looking to be a great season UP THE WELL!

Jack Watkins – Goalkeeper
One from the youth production line now starting his 5th Season in senior football. Great shot stopper who very rarely misses a game.

Jack Knight – Defender
Former Harrow Hill, right back or Right Midfield Jack can play both carries the ball well and has a very long throw in his locker. Loves a moan though.

Harry Knight – Defender
Younger brother of Jack and the better footballer (sorry Jack). Centre Half or Right Back, strong as an Ox and never shirks a challenge.

Jordi Locke – Defender
Ex Centre Mid who played Left Back last season due to lack of numbers. Mr dependable who adapted very quickly to his new role. Voted Players Player of the season last year.

Aidan Creighton – Defender (Captain)
El Capitano or Mr Angry whichever you like. First name on the team sheet and can play anywhere along the back line. Another Mr dependable who we couldn't do without.

Ethan Dunscombe – Defender
Ex Viney Hill Midfielder who joined start of last season. Mr Utility who played Defence, Midfield and Striker for us. Never moans or lets us down wherever we play him.

Kian Skidmore – Defender
Kian 22 is also back at the club after playing at a higher level for Cinderford and Lydney. Can play Left Back or wide in midfield, loves a tackle and has a wand of a left foot sometimes.

Kris Burnard – Defender
Missed far too many games in recent seasons through injury and suspension but if we can keep fit is one of the best Centre Half's in the County. Also thinks he's a striker but scoring record isn't the best.

Nath Davies – Midfielder
Nath who played Cinderford Town 18s when he was younger joined us 3 seasons ago from Harrow Hill. Work horse midfielder who gets around the pitch so well. Chips in with the odd goal but really should get more.

Ben Fishwick – Midfielder
Senior statesman of the squad, Mr calm on the ball, rarely gives it away. Just what you need in Centre Mid, his experience will be valuable with such a young squad.

Kieran Pearce – Midfield
New to the squad this season better known as KP who loves a tackle and a header. Played at a higher level with Melksham when he was younger maybe just what we need in the Centre of the Park.

Sam Porter – Midfield
Sam is a tough tackling midfielder who joined us mid-way through last season from Monmouth. Very calm on the ball and rarely gives it away.

Harry Malcom – Midfield
Another young tough tackling Midfielder who joined early last season from Malvern. Such a great engine and does so much work that goes unnoticed. Got a good future ahead of him.

PLAYER PROFILES

Jamie Belfitt – Midfield
Young Mr Belf definitely gets his footballing ability from his Mum. Played wide last couple of seasons and also as a makeshift Striker. Will look to Cement a place in Centre Mid this season as it's his preferred position.

Dan Brain – Midfield
Dan is now back at the club after a few years away playing higher at Cinderford and Lydney. One of our most creative players and still only 22, always looking to create and pops up now and again with a goal.

Connor Smith – Defender
A young Right back who never lets us down, tenacious and has a great engine. This season will want to push on and try and cement a position in the first team

Liam Brain – Midfield
Younger brother to Dan and goes by the nickname of Snowman. Baby of the group at 16 but will be in and around the squad this season. Can pick a pass and has bags of energy, one for the future.

Rhys Childs – Defender
Rhys is a young quick defender who played reserve and A Team football last season. Bags of energy and doesn't mind getting stuck in for his age. Another one Guy will be keeping a close eye on.

Rhys Macpherson – Striker
Rhys is a young quick striker who also played reserve and A Team football last season, been with the 1st team preseason and had some good performances. Will look to make an impression when selected.

Guy Jones – Manager
Mr Broadwell … Now his 3rd season in charge but 5th overall being involved with the first team. Hoping to push on and have a good season with probably the strongest ever squad he's had available.

Kirk Imm – Coach
Kirk loves being on the training pitch with the lads delivering sessions.
Good job his sessions are better than his time keeping.
Loves his Tactic Board.

Chris Brain – Coach
Persuaded to come out of retirement by Guy after taking a 2-year break. Last time at the Hawthorns led the team to their highest ever finish in the County League, also winning the Les James League Cup their first ever piece of silverware at Step 7.
